## Education

- **School Leaving Certificate** at Bhanubhakta Higher Secondary School, Salyan, Nepal (2001 - 2011)

## Experience

- **Agriculture Worker** at Self Employed (Own Farm) (2018 - Present)
  - Agriculture workers prepare the soil, plant seeds, and take care of crops by watering, fertilizing, and removing weeds to ensure healthy growth. • They gather mature crops, sort, clean, and pack them for transportation or sale in markets. • Some workers handle farm animals by feeding them, cleaning their shelters, and monitoring their health to ensure proper growth and productivity. • They use and maintain machinery like tractors, plows, and irrigation systems to improve efficiency in farming activities. • Agriculture workers repair fences, barns, and irrigation systems to keep the farm running smoothly and protect crops and animals.
- **Factory Worker** at Shimano Company, Malaysia (2015 - 2018)
  - Factory workers handle and operate machines to produce goods efficiently while following safety guidelines. • They assemble parts or components to create finished products, ensuring quality and accuracy in production. • Workers inspect products for defects, ensuring they meet company standards before packaging or shipping. • They pack, label, and prepare products for distribution, making sure they are properly sealed and organized. • Factory workers follow hygiene and safety protocols, keeping the workspace clean and preventing workplace hazards.
- **Agriculture Worker** at Self Employed(Own Farm) (2011 - 2015)
  - Preparing the land, planting seeds, watering, and applying fertilizers to ensure healthy plant growth. • Feeding, sheltering, and monitoring the health of farm animals to maintain productivity. • Using, repairing, and maintaining tractors, Plows, and irrigation systems for efficient farming operations. • Gathering ripe crops, sorting, and storing them properly to prevent spoilage and maximize profits. • Budgeting expenses, selling produce at markets, and managing profits to sustain and grow the farm business.
